Scene in the Brandreth House.

New York, May 14. - (5.x Grafferra anded round a table.) tel Guriera is .- Take house is sweat by the maker of the let O arms to - rate a much to want of the coffishest of Brandeth Prits, which have gived merit. I have a brother who lives in New Hampshire, and who was for a long time sick. The doctors around did not seem to help him his courage and energy fulfod, his step was feebie, and Pails, and strange as it may appear to you, the first box put him right on his feet; and their use for a few smooths, r

him right on his feet, and their use for a few smaths, restant him saturally to perfect health. He thinks that Dr. Brandish is superior to all living men.

Zul G-miles we have from liceness Ayres. The brother of Ressawes for a long time a be l-ridden paralytic. No idea was entertained that he would ever recover the use of his limes. He case was supposed helpluss; but an entighten of Jesus and, "Try a few domes of Brandish's Polic, they may possibly benefit you." He used a few domes, and was belowd. He outland these duily, he increased to be polis, might and morning; he bogs; to feet the circulation in the rampe extremities. The upp of the Pills was further julies only preserved in suffer to any, that in this than six multis, he was perfectly exemt, having recovered the use of his timbe completely. He immediately had a picture of Dr. Brandruth pa need, as his tunclery mint and to thre day he has burning before it two large emptior, which he deas any serious general to only continue, which he de-agins to continue in "cost of his yearcration for the man whose pills restrict him to health. Mr. Graham, U. S-C., of Bassov Ayres, surrated to me the above far a, and I know them to be true. 2 of Grationan—Brandeth's Pills have made many curve

have. A fittend of min of large fortune and high social po-vision, was affected with a dropsy. His physiciams gave him no hope, advised him to within hip worldly affairs for his time on earth was to be of brief dura ros. He was directed by a sportal Provisionar to Brandeth's Pills; he real over a pamphlet relating to them; he took a first duse; he followed the plan of pargation right onward; his largest does was fit tentralls in a single day. The absorbants were aroused to action—the expenses water; days six was removed, and in the very prints of the survivoid on I usefulness her was re-tored to e.g. and the large state of the survivoid o begunto be half a nown yet. 4th Graficwen-1 know Brandeth's Pitts are a wonderful

mody. In Jagrao, Rio Grand, Brazil, they were admissed to a man who had been sick for five years, confined to his bed by inflammatory risemantism. His limbs were con-tracted and streen up, his him's closed and citifiese. He took the pills four in the as an grant four in the sevaning, and drank treety of hore-weap, which was his only shot. To me, on hisrachush. This cure, effected by Brandeth's Pills, offers worth of his pille in that little bows in two week fels Gentlones—A.M. Underh it, of Worschester country who fought to the war of 1912, is a great admirer of Dr Bradicia, because, is any, to guile caved his tile. He was self-ring from a cuscover off school in his left in son, ma-had been under it; a meet for three years without any bea eff. He finally communicat to try the different potent to comes, but got no better until he hopen with Brandel Pills. These taken every night, in doons varying fossifier to ten, excel him entirely in two months. Some time after he was badly burt by a tree falling upon his back, but still to took Brandeth's Pills every day. His surpeon told his they could be no good for a familitajony, and that it would be at least a year before he could wak. In three weeks he was resisted to health, and ascendes his recovery to them it; swears he will vote for Beau leth as long as he leyes, on Gestimus.—And these Pills are sold at No. 284 Cana ter Gerdleman - They are, at 25 cents a box, and by A. S. GARDINER, Cleve'and justifik v let

In Pour .- The steamer City of Cleveland, arrived at about 9 o'clock last night.

STRAWBRERIES - Stacey sold seven bushels of this article yesterday.

ARREST.-Bridget McQuale was yesterlay ar rested on a charge of stealing a bag of money containing one hundred and sixty nine dollars.;

Contro. - Van Amburgh's great mousgerie will visit this city the 13th and 14th of the present

COURT OF CONNON PLEAR.—Before Judge Foote, the Rebecca Stanton poisoning case has come up again on a motion to set aside the will of the deceased, which bequesthed her property to Mrs. Julia Tillman.—Herald.

Potice Count. June 2.—Thirteen cases were attended to vesterday morning, as follows -Petit larceny 3 ; grand larceny 2 ; disturbance 4 ; vagrancy 2; arson 1; drunk 1-total 13. Ephrales Ballett, arson, case continued. Gilmartin and Miller, grand larceny, cases continued.

FOREST CITY HOOK AND LADDER NO 1 .-Foreman, David H. Boyd ; Assistant Foreman Henry Bacon; Capt. of Axemen, Francis C. Blake, Secretary, Robert Bouce; Treasurer, John Downie Recorder, S. Life; Marshal, James Depham Steward, John Gilson : Director to Board, John Doernia; Vigilance Committee, S. Wallace, C. E. Benton, and S. Life; Trustees, Wm. D. Proudfoot, James Seaborn, and C. H. Benton.

THE BARK HENRY E. Howe .- This vessel came up Sanday and anthored in the river opposite the city. Instead of taking on her load at the Milway. kee depot, as has been stated, it is now understood that she will load in part with black wahout hum-ber and complete her load with staves at New Bal-timore—Detroit Free Press.

THE CITY FOR STAIN - Workmen have been dirth of all the best brands of engaged for two or three days past in repairing the jured by continued cold weather last winter, as to Very cheap. A first rate stack of be incapable of holding water. The whole bed is now being thoroughly repaired, and we bope to see the fountain gladden our eyes with its "wanton play" in the course of a few days.

berries sold yesterday morning at all prices ranging from eight to fifteen ecuts per quart. "Meanty cents early in the morning, but dropped by 9 o'clock to libalie. The "flowy's disappeared before seven o'clock at the rate of three quarts for 50a55c. Strawberries were prodigiously abundant all day long and remarkably fine.—Cin. Com.

CATTLE FOR BUFFALO.-There was about the car loads of beef cattle bought at the Cleveland cattle yards yesterday for the Buffalo market. The Buffaloes have at length found out where to get good beeves, and their attendance at our cattle narket will doubtless be regular. See report in another column.

THE INDUSTRIAL SCHOOL-The reception of donations to the Industrial School will take placa this afternoon at 2 o'clock; the school rooms will for that purpose be kept open until evening. We hope the donations may be liberal. Everything in the shape of old clothing, Ac., is received, and will be bougstly applied to relieving the wants and neresities of the attendants upon the School.

ALMOST A PATAL ACCIDENT.-A providencial escape was last evening made by young Mr. Farley, and a boy, who is employed to transfer the bright and glamm as those of mature. For sale by all Drug-gate and Hair Drugsin. Joseph Cunteranone & Co. No. were crossing the Railroad track, a freight train was approaching at a rapid rate, the flagman being off duty. Mr. Farley's horse cleared the track, and his weight was barely sufficient to keep the wagon from being smashed, throwing it sideways from the track, overtaguing it, and slightly injuring the boy, Mr. Farley escoping uninjured.

CITY Council .- Among the important business transacted by the Council on Tuesday night, was the appropriation of \$400 out of the general road Wm. A. Batchelor's Hair Dye. fund toward the improvement of St. Clair street between Case Averue and the eastern limit of the city. The total cost of the improvement, of which the above appropriation is to pay a portion, will be about \$1,400-\$1,000 being raised by special

Six hundred dollars were also voted as a portio of the cost of a sewer for the drainage of Willson applications have been made to the Hair of his putrons of Avenue and a portion of Euclid street. The sewer is to be built of brick, and will be about 700 feet in WM A BATCHELOR'S HAIR DYE produces a color length. These appropriations, it is understood, not to be distinguished from indust, and is warrasted and to injure in the least, however long it may be contin. will prevent all further attempts at " dismember to injure in the least, however long it may be contin. members who would otherwise have opposed

them. A resolution was introduced by the Board of City Improvements authorizing the sale of a portion of the old infirmary farm on Kinsman street to the 233 Broadway, New York | Lake Erie Paper Mill Company for \$2,000, which

ANOTHER BURGLARY-THE ROGUE CAUGHT-Excitise Chase - Yesterday morning, between two and three o'clock, the dwelling house of Wm. B. Clancy, on Ninth near Caroline street, was en-tered by means of nippers, and a gold watch be-longing to Mr. C. taken. As the rascal was maktered by means of suppers, and a gold waten selonging to Mr. C. taken. As the rascal was making his exit, he made some noise which aroused Mr.
C., who sprang from his bed and gave chase. He
overhanded the burgiar near the gate, when a deaperate struggle enwied, which ended in the rogue
throwing Mr. Cancy to the ground, injuring har,
considerator, after which he made off. Chancy
gave the a'arm, and the police force in that section
of the town having been doubled, officers Carr and
Gorman came to the rescue. Others joined in,
and an exciting chase took place, all about the
adjoining streets. The rogue led them a long distance, and made excellent time, but was interrupted
and captured on Hadson street, near the work
house. On being searched, the gold waich of Mr.
Clancy and a pair of nippers were found on his person. He gave his name as John Miller, is about 30
years of age, and says he limits from Cleveland.
His face is quite familiar to the police, and he is
undoubtedly one of the ringleaders of the gang
which has been operating so excensively in our
midst for several weeks past. He was committed
for examination, and will doubtless soon be on his
way to Auburn.—Buffalo Express.

BRYANT & STRATTON's chain of College now complete and in successful operation. A Scholarship issued from the Cleveland College will be good in Albany, Buffalo and Chicago, and rice persa. P. R. SPENCER & Sons have charge of the Cleveland Writing Department. cb84tf

YESTERDAY AFTERNOON'S REPORT

ARRIVAL OF THE AMERICA.

Hattrax, June 2. The R. M. steamer America. Capt. Moody, from Liverpool on Saturday the 22d ult., arrived at this port at 5 o'clock this morning. The screw steamship Kangaroo from New York on the 8th May, arrived at Liverpool on the 22d May. She carried the mail.

The political news by this arrival is of much in-

In the British House of Commons Mr. Cardwell had withdrawn his motion censuring the govern-mer. for the publication of the despatch to the Gov. General of Iudia.

The Derby ministry had thus achieves a virtual

The Derby ministry had thus achieves a virtual retumph. Another important item of intelligence is that the King of Naples had in effect rejected the demands of England for Indemnity to the imprisoned engineers of Gagliari Naples was actively proceeding with her military defence.

There is nothing later from India.

The great spoon Derby race came off on the 19th May, and was won by Sir Joseph R. Hawley's horse "Beardsman."

horse "Beardsman."
In the Liverpool cotton market prices of the fair and lower qualities had declined 2-8d and middling description 1-6 from the quotations per the Africa. The sales of the week amounted to only 27,000 hales.
The Liverpool Breadstuffs market showed a meneral duliness. Corn slightly declined since Tuesday.
Provision market generally steady.

N. H. LEGISLATURE.

CONCORD, N. H., June 1.

The State Legislature meets to-morrow. At a cancus this evening the Republicans nominated N. B. Bryant, of Concord, for Speaker.

The Democrats in cancus nominated Walter Hardman, of Warron, for the same polition.

MOHE BRITISH OUTRAGES.

NEW YORK, June 1.

The Herald's Washington corresiondent says reliable information has been received that the British cruiser had fired into an American vessel off Pensacola, and one man was killed, and furthermore that the U. S. steamer Fulton had gone in chase of the cruiser.

SAILED. N H. LEGISLATURE.

SAILED. BOSTON, June 2. The R. M. steamship Niagera sailed at noon with 130 passengers for Liverpool and Halifax and \$112,000 in specie.

FULTON AND STYX

WASHINGTON, June 2. The report concerning the steamers Fulton and Styx is believed to be false. The rumor has been current here for three days, but up to last night the Government had received no information upon the subject.

WASHINGTON, June 2. House.—Mr. Harris, of Ill., from the Committee on Elections, reported in favor of declaring the sent of Mr. Harris, of Md., vacant, on the ground of fraud and violence in his election.

SENATE.—The business was of no public interest till one o'clock, when Mr. Mason procured the consent of the Senate to make the resolutions conerning the British aggressions the special order

or Saturday noon.

Mr. Houston, of Texas, tried to bring up his resolution in reference to a protectorate over Mexico. In speaking of the resolution he said— If the Government of this mation do not interpose in the name of outraged humanity in Mexico, men will be found who will not shrink from interposing to protect their rights and the rights of their fellow citizens.

FROM NEW MEXICO.

WASHINGTON, June 1. Washington, June 1.

Letters from Arizona to Lieut. Mowry, Delogate from that Territory, state that it is probable that Peschiera, Governor of Sonora, will declare that State independent in the event of the smecess of the Zaloga Government, or Santa Anna's return to Moxico. The news confirm previous statements regarding the correspondence between Peschiera and parties in the United States. Arizona continues much distarbed by Indian depredations, murders and robberies, and there being no courts of law, the violence remains unobecked. no courts of law, the violence remains unchecked.

The intelligence from the silver mines is highly encouraging. Fresh discoveries have been made.

encouraging. Fresh discoveries have been made. Tueron was nearly deserted by the people going to the new Piacers gold diggings, at Canada Deloigration from California was on the increase and a press was about being brought fro

The people were anxiously waiting and expecting a Territorial Government. FROM WASHINGTON. WASHINGTON, June 2.

The Secretary of War his indicated his intention The Secretary of war as indicasted as intention of sending troops to Arizonia as soon as he has any at his disposal.

Mr. Burlingame's report ananimously concurred in by the Committee on Foreign Affairs, is accompanied by a resolution requesting the President to obtain redress on account of the conduct of the French Government relative to the American bark Adriatic.

Adriatic.

The report also recommends a revison of the laws in reference to collision at sea, and an arrangement by which the damages may be determined in

> LAST NIGHT'S REPORT, RAILROAD ACCIDENT.

Tolepo, June 2. The passet ger train on the M. S. R. R., bound west, which left Toledo at 11:25 A. M. to-day had itsthird and lourth passenger cars thrown from the track near Sylvania, O., from some unknown cause, and four or five persons slightly injured. No bones broken and no one killed.

CONGRESSIONAL.

Washington, June 2. House-Mr. Clark, of N. Y., offered a serie: of

House—Mr. Clark, of N. Y., offered a series of resolutions, the first of which was that the evidence reported by the Select Committee as to the recent sake of the Fort Snelling reservation has failed to exhibit any facts or circumstances impeaching the personal or official integrity of the Secretary of the same was an improper, and resulted by reason of the want of pulletly in the exclusion of that competition among persons desirons of purchasing, which, under the excensionates, should have pen permitted, was adopted, 123 against 66.

Mr. Clark's other two resolutions were adopted, disapproving of the terms of sale and directing that the evidence taken by the Secretary to conduct the anneal that the sales are secretary to conduct the same was injudicious and improper, and resulted by reason of the want of pulletly in the exclusion of that competition among persons desirons of purchasing, which, under the exclusions of the want of pulletly in the exclusion of that competition among persons desirons of purchasing, which, under the excensionates, should have pen permitted, was adopted. It is a selective and examine for themselves. The services of a lady and the use of a machine the evidence taken by the Secretary of War to the end, the competition among persons desirons of purchasing the services of a lady and the use of a machine the evidence taken by the Secretary of War to the end, the services of a lady and the use of a lady and the use of a lady and decidence taken by the Secretary of War to the end, the services of a lady and the use of a lady and and use of a lady and the use of a lady and a

Sect. Disagreed to by 5 majority.

The first resolution was defeated by 5 majority.

Mr. Paikner, of Va., moved to table the remainder, and the motion was agreed to by 83 against 76.

Several bills of no general importance were then passed, including that of allowing full pay of a commander of the navy to the widow of Captain Herodon.

Mr. Harris, of Ill., called up the report of the Committee on Elections, requesting to be dis-charged from the further consideration of the me-morial of Mr. M. J. Fuller, asking admission as delegate from Dacotah, and in favor of Mr. Kings-bury z right to his seat as delegate from Minneso-te, or territory outside of the State limits. During the dabate Mr. Hughor, of Indiana, de-nied the right of Mr. Harris to hold the floor and

nied the right of Mr. Harris to hold the floor and

wheter they will really do mything of nothing in the matter.

Mr. Hunter here suggested that he hoped the Senator would accept the Senator's expression of opinion as decisive.

A vote was taken with the following result:

Yeas—Mesurs, Clingman, Fitch, Hale Houston, Johnson of Tennessee, Mallory, Poik, Pugh, Rice, Rimmons, Siklell, Stuart, Toombe, Wade, Wright

Brown, Cameron, Clark, Clay, Collam M. Davis, Dixou, Durkee, Fessenden, Footo, Foster, Greece, Hamito, Hammond, Harian, Hunter, Iverson, Jones Kennedy, King, Mason, Pierce, Keid, Seward, Thompson of Kentucky, Wilson and Ynice—30.

The miscellaneous appropriation bill was then taken up.

The miscellaneous appropriate up taken up.

Mr. Simmons introduced as an amoudment a lengthy re-arrangement of the tariff, which was ruled out of order.

Mr. Crittenden offered an amondment to continue the publication of American state papers since 1831, presenting 3,000 copies for Government use, and 1,000 for the use of the public library and for-

and 1,000 for the use of the public library and foreign governments.

Mr. Toombe opposed it, and Messra Seward,
Reojamin and Cameron supported it.

Mr. Fessendun moved to amend the amendment
by limiting the present progression of the work to
10 volumes.—Lost.

Mr. Toomba moved to amend by providing that
the price for the publication of the work shall not
exceed the present prices of public printing. In
this shape Mr. Crittenden's amendment was car
ried by 33 against 16.

An attempt to append to the bill the appropriations for the local business of the District of Columbia having failed, and several minor amendments having been moved and lost, Mr. Chandler
renewed his motion to appropriate \$34,000 for the
St Clair flats.

Bt Clair flats. A vote was taken on this, and fow members be ing present when it was made, it was carried, when Mr. Slidell changed his vote to ave, thus acdring the right to reconsider.
Before the result was announced, the Adminis-

tration moved to adjourn.

The opposition called for the year and mays on the motion, which was carried by 28 against 13.

Further by the America. HALIFAY, June 2.

The America passed the Arabia from New ork on the 23d. York on the 23d.

A detachment of the telegraphic corps of the
Atlantic Telegraph Company came in the America on route to New Foundland, to make preparations for landing the cable at Trinity Bay. GREAT BESTAIN.—The reason of the withdrawal of the motion to censure the Government, was caused by the reception of a despatch f.om Sir

stakes were won by the Governess.

The new steamer Nova Scotian had renched Liverpool. She leaves June 2d for Qubec.

A strong gale on the N. W. coast of Ireland had caused the loss of many fishing vessels, and it is feared 50 lives. Groothoff & Schults, merchants of Hamburg.

Groothoff a Schoils, merchants of Hamburg, have suspended.

The Turkish Government is said to have consented to a settlement with Montenegro, in consequence of a despatch from the Ambassador in Paris station that if the Porte did not arrange it, France would formally recognize the independence of Montenegro.

It is stated that the King of Naples has applied to the Care for a Paranget. He said has was nearly to the Czar for a Passport. He said he was searful of Prance, and could no longer be sure that Eng-land would continue her policy of cauciliation. Letters from Italy say that various governments are making preparations against an apprehended

war. Rising conspiracies are said to have been discovered in several towns in Spain.

The Turks are said to have had 2,000 killed in the battle with the Montenegrouss. LIVERPOOL MARKETS-Means Reclared to continued the state tout the wanted was liberal. tops and the supply was liberal. or Wardult; western canal linguists; Phil. & Bair.

Youth to Manhood,

BY DR. CULVERWELL

Member of the doyal College of Surgeons of Engined (1871.) Licensiate of the Hall (1874.) and Reyears Rest dead Practitioner is London. Author of the "Ginde to Hasilia." "Green Book." "How to be Happy," "Memorts of Single and Married Lie," in:

This small, but highly valuable Treaties, written by a social recovered Physician and Stravou, points out the noily some and parmanent clus for all discusses resulting rame self abuse, and in the only publical; as elf-skind writtee in a best evolent spirit and by a scientific man. It should be not be included of all who walke their 1986, health.

mr. Harris denied that Mr. Hughes had the right so to estimate.

Mr. Hughes—It was your course bereinfore on this very floor.

Mr. Harris—It is faise.

Mr. Harris—It is faise.

Mr. Hughes—You are a lisr.

Senarz.—He (Mr. Houston) himself could not hesitate if necessity demand him to do so. They who do will never be liable to the name of fill-busters, or amenable to the reproach of marmeding. Therefore be demanded an expression by yeas and nays of the opinion by the Senate to show whether they will really do anything or nothing in the matter.

Mr. Hughes—It was your course bereinfore on this very floor.

Mr. Hughes—It was your course bereinfore on this year, and the constantly in readiness. Everything proach, real and constantly in readiness. Everything proach, real and constantly in readiness. Everything proach, real said constantly in readiness. Everything proach, real and constantly in readiness. Everything proach, re

Medicines.

Joy to the Admirers of a Pine dead of RICH GLOSSY HAIR. beauty, it cannot rejut without a few head of road the following, and if you ask more, so round sage tottle, and no me can doubt.

PROFESSOR WOOD'S HAIR RESTORATIVE—We call the attention of all, old and passes, to this weinderful terperation, which intra mark to the original color, gray hair—covers the head of the back to the original color, gray hair—covers the head of the back of the lexitoring growth—may see the sharpful, seek. and youth. In the wone-with preparation, which there bould not to original color, gray hair—cover a the head of the bold with a irrigagant growth-years age the innertral, signification of the instantification of the instantification and instantification of the instantification and instantification of acc, in all the matural fluids, and hence, if used as a require dressum for the heart with green, we it color, and the spill fram instantification of the spill she grays of diseased in scalp to the first the spill she grays of diseased in scalp to the interest of the positive will not, as they value the system of the product with not, as they value the system is sufficiently as a long value the system in the grays as upon these the solution; a few works after.

The Arms for Prof. Wood's Hair Restorative in Now-theven, rece med the office, I have been troubled with describing a seaf of my head for more than a year, my hair began to came out, scarf and but tondifier. I saw in a New Revers paper about. Wood's Hair Restorative in an our case of me bottle to try it, and it found to my carlification it was the thing it is more two or three freshes in length where it was then the order of its more two or three freshes in length where it was then the content of its more two or three freshes in length where it was the chart of the start of the start of my me hard began to be the content of any men hard began to be a thing it is more two or three freshes in length where it was the chart of the start of the start of men we have began to be a content of the chart of the start of men we have began to see the chart of it is more two or three freshes in length where it was the chart of the start of the start of men has been to see the chart of its men to was the chart of the start of the second of the start of the second of

the tange it summered the scaur and new har begins to grow, it is now two at three inches in tength where it was all of . I ture great faith in if I wish you to send me (and hatters more by Mr. Pent, the beautor of this. I don't know as any of the kind is used in this placet you may have a market by many bottles after it is known here.

Yours with respect. RUFUS PRANT.

Print Wool - Dear Sir : Tour Hair Hestorshive is proving the hock state in the first and also the back said of set beat almost last its covering. In that said such back and may the fits of my hand is well affaithed with a promising crey by small this, and the front is also receiving its beautift. I have tread after your descriptions of the fits of crew the said would affaithed with a promising crey by small this, and the front is also received its beautift. I have tread after the fits of the whatever. I then been my own to be a few indage many other to try if.
Your respectfully. B. E. THOMAS. M. D.
No. 504 Vine street.

Frof. O. F. Wood: As you are about to manufacture an end your possetty discovered Hair Restargity. I will stall, for the manufacture an end your possetty discovered Hair Restargity. I will stall, for themsower is may concern, that I have send and known others to see to that, I have for became, we have the self-of-manufacture of the first power of the self-of-manufacture of the first power of the self-of-manufacture of the or and textupe to hair,
Respectfully yours. WILSON KING.
